

WE ARE PLEASED TO ANNOUNCE THE 5TH ANNUAL CATHEDRAL GIVING BY DESIGN WEEKEND

Upholding our tradition of philanthropic support for the Atlanta community, we cordially invite your participation as a Sponsor. As we honor the importance of home and hospitality, we are committed to raising awareness and funds for our

2027 beneficiary, Motherhood Beyond Bars (MBB).

MBB is an organization working to strengthen the bond between mothers, their newborn babies and their caregivers during one of the most vulnerable times in their lives. Through education, advocacy and ongoing family support, the organization helps babies get a healthy start and mothers maintain meaningful connections with their children. Their work promotes healthy reunification and helps break cycles of incarceration across generations.

With the generous support of our Sponsors, Cathedral Giving By Design (CGBD) will help MBB develop a professional childbirth education curriculum created specifically for incarcerated pregnant women. This lasting resource will equip mothers with knowledge, confidence, and support as they prepare for childbirth.
